

Tempo \$20.24 Promotion Terms and Conditions

February 2024

Welcome to the Tempo \$20.24 promotion, offered by Tempo Limited ("Tempo, we, or us"). The terms and conditions that apply to the promotion are set out below. These apply in addition to our Standard Terms and Conditions (available [here](#)) and any other terms that may apply to you as a customer of Tempo.

Overview of promotion

Under the promotion the first 1,000 eligible customers who make a single payment of \$20.24 towards their Tempo investing goal during the promotion period will receive a one off \$10 boost towards that goal from us.

Eligible customers

The Promotion is only open to eligible customers. In order to be an eligible customer, you must have:

- Downloaded the Tempo app
- Successfully opened a Tempo account, have an investing goal set up in the Tempo app, and have passed our customer onboarding checks (either before or during the promotion period)
- Made a single payment towards your investing goal of exactly \$20.24 during the promotion period
- Complied with the rest of these terms and conditions

Promotion period

The promotion period runs from 7 to 29 February 2024 (inclusive).

How and when you will receive the \$10 boost

Once you have made a single payment of exactly \$20.24 towards your goal, we will give you a one off \$10 boost. Just like any payments that you make yourself, the \$10 boost will be invested in the mix of Tempo Funds you have chosen for your goal.

You should expect to receive the \$10 boost within 5 working days of the receipt of your \$20.24 payment (but please let us know if you have not received it within that time-frame).

Other things to know

This is a one off \$10 boost towards your investing goal. This means that you will only receive it once (regardless of how many times you make a payment of \$20.24) and it will not be payable if you have closed your Tempo account or your investing goal before we have made the boost payment to you (or if we have suspended or closed your Tempo account for any reason).

The \$10 boost is only available to the first 1,000 eligible customers who make a payment of \$20.24 during the promotion period. However, we may, at our absolute discretion, provide it in respect of a payment received after the expiry of the promotion period or to additional eligible customers over and above the 1000 customer limit.

We may suspend or end the promotion before the end of the promotion period, if, in our reasonable opinion, the promotion is being abused or may negatively affect Tempo's goodwill or reputation. We may do this on an individual or promotion-wide basis. If we exercise this right, we will try to give you advance notice on our website. Please contact our Customer Support team by email at help@tempo.co.nz if you believe you qualify for a \$10 boost that has not been provided to you as a result of this early suspension or termination.

We are not responsible or liable for any failure or delay in providing the \$10 boost which is caused (directly or indirectly) by forces beyond our reasonable control or by third parties.

Nothing in these terms and conditions is intended to exclude, limit or modify any rights or other protections you have under Applicable Laws (as defined in our Standard Terms and Conditions (available [here](#))), including the Consumer Guarantees Act 1993 and the Financial Markets Conduct Act 2013, except to the extent that this is permitted by law.

These terms and conditions are governed by the law of New Zealand and the courts of New Zealand will have non-exclusive jurisdiction to hear and determine any dispute arising in relation to these terms and conditions and the promotion.
